

“Eliminate Poverty Housing Now”

OUR MISSION

“Habitat for Humanity works in partnership with God and people everywhere, from all walks of life, to develop communities with people in need by building and renovating houses, so that there are decent houses in decent communities in which every person can experience God’s love and can live and grow into all that God intends.”

WHO WE ARE

Formed in 1988, as an affiliate of Habitat for Humanity International, we are a non-profit, ecumenical organization founded on the conviction that every man, woman and child should have a decent, safe and affordable place to live. We build with people in need regardless of race or religion.

BECOME A VOLUNTEER

Our ministry would not be possible without the help of our volunteers. We host over 400 volunteers each year, from all backgrounds, with varying skill sets and from ages 16 to 100. We have a project ready just for you, too! You can volunteer as an individual or a group (high schools, colleges, corporations, churches and civil organizations). Days and times vary for each volunteer/group. If you are interested in volunteering, contact Habitat directly at (262) 637-9176, or go to our website at www.habitatracine.org.

DONATE

Thanks to your support, Habitat is transforming the lives of families throughout Racine and around the world! Research has shown that decent housing improves health, increases children’s educational achievement and strengthens community ties.

Please Donate Today!

Your donations are 100% tax deductible. Credit card donations are accepted. Please go to www.habitatracine.org, to learn about donating a car, truck, boat or RV.

Racine Habitat Facts:

-  Racine Habitat, along with our volunteers and partnering families, rehabilitate existing houses or build new homes for low income families.
-  To date, over 65 homes have been completed throughout Racine.
-  Habitat homes are sold to our partnering families through non-profit, no interest loans, ranging from 20 to 30 years.
-  Homeowner families are required to invest 300 “sweat equity” labor hours into the construction of houses.
-  Racine Habitat is able to maintain low costs due to our countless volunteers and financial supporters.
-  Criteria for selecting homeowners is based on the following principles: The families need for adequate shelter, the ability to pay, and the willingness to partner with Habitat.
