RE: RECOMMENDATION FOR MS. JILL PETERSEN

I know Ms. Petersen through business as well as on a personal basis for some time. My opinion of Ms. Petersen could not be higher as an Associate of our company. Her work is nothing short of outstanding, her communication skills are above and beyond expectations, and she is well respected by all Associates. Ms. Petersen possesses great leadership qualities, is hard working, and completes all assignments with impeccable quality within any given time frame. The initiative she demonstrates is refreshing to witness.

The personal side of Ms. Petersen displays a young person with compassion for everyone. She adapts to any situation and becomes an instant fit with any group of people. Her sense of humor is just one of her valuable traits.

In summation, I feel that Jill Petersen is a very bright young lady with a great future. I deem it a privilege to have the opportunity to work with her as well as give her a recommendation.

Sincerely,

Jordan Widdes
